Description

19 JAN 2018 N8442H TACH 1767.4 TSMOHP 2019.9

Performed Annual Inspection in accordance with FAR Part 43 Appendix D Checklist. Removed, cleaned, and inspected spinner, no defects found. Inspected propeller hub, and blades, no defects found. AD 05-14-11 was found to be Not Applicable by propeller not being serviced by Southern California Propeller service. All ADs are current through JAN 18, 2018. I certify that this Aircraft Propeller has been inspected in accordance with an annual inspection, and was determined to be in an airworthy condition.
