

ENGINE LOG BOOK

Teledyne Continental Motors, Inc.

Aircraft Engine Test Verification

This document verifies that the engine model listed below has satisfactorily completed all testing listed below in accordance with TCM standard engine testing specifications as approved by the FAA.

Engine Model

TS10550C5B

Engine Serial Number

802674

Testing Completed

Standard Acceptance Test:

Date of Completion 8-17-04 Test Operator 31559

Form No 98344

Teledyne Continental Motors, Inc.
A Teledyne Technologies Company

Service Information

Service Bulletins and Technical Publications are available on a direct mail basis from the factory. Orders must be prepaid. Send for order form or call 334-438-3411, publications department, for information.

Engine Returns

All returned engines are to be shipped with this log book
Directly to:

**Teledyne Continental Motors
Abbeville Industrial Park
Suite 159
Abbeville, AL 36310**

USE ONLY FUEL CONFORMING TO ASTM D910
USE OF AUTOMOTIVE GAS IS NOT APPROVED.

Teledyne Continental Motors, Inc.
A Teledyne Technologies Company

Printed: 08/17/2004

This engine model **TS105S0C5**, Serial No. **802674** was manufactured on **08/17/2004** by **Teledyne Continental Motors** in accordance with approved design data and the applicable requirements of Part 21 of the Federal Aviation Regulation. The approved design data for this engine incorporates all changes required by applicable Airworthiness Directives and Teledyne Continental Motors Service Bulletins.
