

BARON G58

---

**Beechcraft**  
TEXTRON AVIATION

# START YOUR ENGINES

Functionality just met nobility—the Baron® G58 aircraft. Secure, powerful and sophisticated, nothing can hold you back in business or in life with the Baron on your side. Twin-engine redundancy, comfort for six, large aft cargo doors for mission flexibility and confident dispatch—this real-world performer is the ultimate personal aircraft and business tool you've been waiting for.

## HIGH PERFORMANCE FROM EVERY ANGLE

### LED LIGHTING

LED lighting provides better visibility, less drag and reduced maintenance.

### FIKI CERTIFIED

Certified for Flight Into Known Icing for added mission flexibility.

### LARGE AFT LOADING DOORS

And reconfigurable seats for effortless loading of passengers and cargo.

### RUGGED LANDING GEAR

Heavy-duty landing gear and large low-pressure tires allow for landing on semi-prepared landing surfaces.

### SEATING FOR SIX

Configured to your specifications, ergonomic club seating comfortably fits six passengers.

### NEXT GENERATION AVIONICS

Garmin™ G1000™ NXi avionics provide a brand new cockpit interface with enhanced graphics, faster hardware, new features and optional wireless connectivity.

### FORWARD BAGGAGE

Optimize space and safely stow all your equipment with a cargo capacity of over 300lbs in the nose alone for easy weight and balance.

### TWIN-ENGINE SECURITY

Powerful twin Continental™ engines provide peace of mind and allow you to climb at 1,700 feet per minute (518 m) and cruise at more than 200 knots.

### EXCEPTIONAL HANDLING

A flying pedigree and control harmony that all Barons are famous for.

### ON-BOARD WEATHER RADAR

Always know what conditions lie ahead with Garmin™ GWX 68 Digital Color Weather Radar.

### AUTOMATIC CLIMATE CONTROL

Set-and-forget environmental control keeps your cabin and cockpit comfortable for the duration of each mission.

# YOUR BUSINESS YOUR BARON

Begin elevating productivity with complete comfort. Spacious seating for six with hand-stitched detailing is reconfigurable to suit your mission, while large windows allow for ample natural lighting and a scenic view. Set-and-forget air conditioning maintains the perfect temperature for the duration of the trip, so you and your passengers always arrive fresh and ready to conquer the day.

# COMMAND THE NEXT GENERATION

The Baron G58 is powered by the latest technology in integrated cockpit avionics, the Garmin G1000 NXi. With an improved graphical interface, more powerful hardware, higher resolution displays, added functionality to improve situational awareness and optional wireless technology, managing the flight deck has never been easier.

## G1000 NXi

Enhanced HSI Functionality

### NEW FEATURES AND OPTIONS

- + Standard ADS-B Out and In
- + Optional wireless database and flight plan loading
- + Integrated VFR Sectional Charts
- + IFR High and Low Charts with Night Mode
- + Enhanced HSI features
- + COM frequency decoding
- + Vertical Situation Display
- + Selectable Visual Approaches
- + Optional Surface Watch for runway safety
- + Enhanced graphics and faster processing
- + Improved joystick with smoother panning
- + Simplified maintenance

## PROMINENT UTILITY

The Baron G58 features everything to make your travels work for you. With removable passenger seats for extra cargo capacity and a roomy nose baggage compartment, weight and balance distribution is as easy as tossing a bag in the back or front, while large aft cargo doors allow for effortless loading and unloading.

## BARON G58 ISR

INTELLIGENCE. SURVEILLANCE. RECONNAISSANCE.

With dependable dispatch, high dash speeds and long loiter times, the Baron G58 ISR is counted on by law enforcement agencies to perform critical surveillance missions.

# EXTERIOR DESIGN SELECTION

Customize your Baron by choosing from a wide variety of paint schemes and color options to match your own unique style.

# TWIN ENGINE PEACE OF MIND

Twin engines bring added dependability when it comes to this modern-day multitasker. Enjoy the peace of mind of engine and systems redundancy. Fly with confidence over varied terrain and water, day or night and around more weather.

## SPECIFICATIONS

### PERFORMANCE

Takeoff Ground Roll	1,373 ft	418 m
Max Climb Rate	1,700 fpm	518 mpm
Service Ceiling	20,688 ft	6,306 m
Max Cruise Speed	202 kt	374 km/h
Max Range	1,480 nm	2,741 km

### POWERPLANTS

Manufacturer	Continental Motors	
Model	IO-550-C	
Output (Each)	300 hp	

### WEIGHTS

Max. Takeoff Weight	5,500 lb	2,495 kg
Empty Weight	3,970 lb	1,801 kg
Useful Load	1,554 lb	705 kg

### INTERIOR

Cabin Height	50.0 in	1.27 m
Cabin Width	42.0 in	1.07 m
Cabin Length	12 ft 7 in	3.84 m
Baggage Capacity	420 lb	190.5 kg
Maximum Occupants	6	

*\*Performance data is based on standard conditions with zero wind. Field performance assumes a level, hard-surface, dry runway. Range is based on a ferry mission with one pilot (170 lbs) at LRC with 45 minutes reserve.*

# THE LARGEST AND MOST CAPABLE SERVICE NETWORK

Textron Aviation's extensive engineering and manufacturing resources provide you with a worldwide network of technical support experts and maintenance solutions.

- ✔ Field service representatives from Textron Aviation are equipped with extensive technical manuals and detailed vendor documentation to answer your questions.
- ✔ More than 350 authorized service facilities around the world are uniquely qualified to service your piston aircraft.
- ✔ Our inventory carries more than \$150 million in piston parts with a 99.6 percent same-day ship rate to keep your aircraft flying.

Fly with confidence knowing you're backed by the most capable service and support network in general aviation.

PERFORMANCE SUPPORT

## THE WORLD'S LEADING AIRCRAFT MANUFACTURER

Textron Aviation brings smart innovation to the market — leveraging the latest technology in our industry-leading Beechcraft®, Cessna® and Hawker® aircraft — a cornerstone of 90 years of performance. Together, Cessna and Beechcraft account for more than half of all general aviation aircraft flying, having delivered more than 250,000 aircraft that exceed 100 million flight hours and operate in more than 143 countries. In the last five years, 10 new Textron Aviation aircraft products have been certified and delivered. From Citation® jets, the world's best-selling business jets, to the class-leading King Air® and Caravan® turboprops to the Cessna TTX® advanced piston performer, Textron Aviation leads the industry with the broadest product portfolio and the largest aircraft service network in the world.
